Alan's legacy of hard work, generosity, strength, and love for his family will live on in the hearts of all who knew him. Though his time here was far too short, the memories he created and the lives touched will never be forgotten.

“ I have so many memories of Alan! Danger Ranger being one of the funniest things. Probably a few too many drinks at a couple parties with Blake N. during our high school years! I remember Alan, Derek Furnace, my brother Bud, and I all being on my Aunt Marybeths soccer team! We had an awesome team those couple of years and we loved making new plays etc! Other memories of spending time at the Martin house when I was younger, playing in the garage and Alan was always so funny! I cant really remember if his mom was babysitting or if I just showed up over there but we always had a great time. I will always remember his spiked blond hair and dimples as young kid with the sporty t-shirts and umbro type shorts! The whole class of 2000 has to be in disbelief but he was and will always be loved.
