“ Audrey loved her grandchildren so much. She was a great grandmother. I cant wait to tell her grandson about all the joy she had when we found out we were having them. She was so tickled when she found out we named Brantley, Brantley William. She wanted us to name his Charles William Gish the 3rd but chuck and I just wasn't feeling that. We didn't get a lot of chances to take the boys to see her but ill never forget the look in her eyes when she got to hold little Jayden for the first time! She kept repeating how precious he was! You'll be miss! Thanks for the memories!
