“ Tammy, I didn't know your mom. But I know how much u loved her. Your family has suffered horribly these last few years. I know you will miss your mom and that the two of u were very close. I just wanted you to know that you have been in my thoughts and prayers during your mother's illness. And I will keep u in my thoughts and prayers through the difficult and dark days ahead. May you find comfort in knowing that others are thinking of you. Lovingly, Carol S.
