“ ruce, Britt, and Brandi
Words never seem adequate at times like these, but I do want you each to know, that I love you, and I am so sorry for the loss of your Mom.
Aunt Barbara was sweet, kind, caring and very much a selfless person.
Always putting others first. She had a way of making you feel special, and I felt that very much.
You guys and Uncle Bill were her life. She loved each of you beyond measure.
I will miss Aunt Barbara deeply, but I have so many great memories etched in my mind that I will hold on to.
You family, are in my thoughts and prayers. Love you guys.

“ To Brandi and family. My heartfelt sympathy is with you and your family. I always enjoyed visiting with your mom. I loved her sense of humor. When she worked at the hospital we sometimes ate lunch at the same table. Sometimes when Jerry and I were out eating we would see your mom and dad too. We liked to joke that neither of us wanted to wear out our cook stoves. Your parents are reunited now and watching over you with their love. Our love and prayers to you. Jerry and Kathy Williams.
