“ I miss you, Baba, and love you with all of my heart. You were like a grandmother to Susie and I for 65 years. All of these years, I have continued to call you Baba because, when I was a baby, I couldn't pronounce "Beulah". "Baba" was all the I could manage. You were always there, especially in the fifth grade when I got very sick at school. The school nurse called our home, and you were the only one home (Mom and Dad were working at the store during the Christmas holidays). So you stopped what you were doing, and came to school to pick me up. You took me home and put me to bed, checking on me frequently. By late afternoon, I was worse, so you called Mom. Both she and Dad rushed home and called Dr. Glen, who said to meet him in the ER at the hospital. He removed my appendix right before it ruptured. Rest in peace, Baba; you've earned a rest.

“ Ms. Beulah was a beautiful soul who opened her home to any one in need but always demand respect. She was a great cook and whenever New Hope Baptist or Grant Chapel AME Church had a dinner she was one of the first to respond. Ms. Beulah loved God and her family. Her children and grandchildren were the loves of her life. She lived a long productively life. God.bless her. Rest in Peace Ms. Beulah. You have finished your races. No pain, no sorrow. Only beautiful peace and walking with your love ones who met you there. The Lord is your shepherd
