“ You will be greatly missed Uncle Chuck. I love hearing the story from mom and dad about the turkeys you spotted in the back yard coming out of the woods. Love you and fly high with Aunt Betty Lou,

“ Charlie I am going to miss our monthly phone calls that you made to me. Loved that anytime I had bad weather in my area you would call to let me know it was coming. We talked and we laughed about things that happened in the past. You made me laugh when you talked about your Great Grand kids, knowing how much you loved them living with you. Of course thats not what you said but I know that was what you meant. You were truly a great brother. I will miss you and someday we'll meet again and laughs will ensue.

Love you your sister Carmy
