“Charlotte became my grandmother a long time ago. As far as I'm concerned she will always be my grandmother, and the Ogden family is my family. She inspired me and brought my spirit up when I was down. I love her very much, always will. I miss her very much as well.

Was so shocked to here of Charlottes passing. Due to the fact that the Lord allowed Barbra and I to spend Her last afternoon with Her. We went out to eat together and went for a ride afterwards. She was very happy that afternoon and was smiling a lot as we remembered things from time gone by. She had a huge smile on Her face and was thanking us so much for the time we had spent with Her as we left. May God bless and comfort Her family in the days to come. All our love Dale & Barb Ellis.
