“ To Hayden, Braxton, Rhonda, Rick & family, So sorry to learn of Ciara passing. This is such a tragedy. As Hayden & Braxton know, I got to know Ciara and kids while living at the apartments. Ciara became a good friend. She was always kind, thoughtful and a good person. She was such a great mom who was always there for her kids. She was always a happy person with a great personality. May your memories of the wonderful times you shared comfort you in the days ahead. Please know my thoughts and prayers are with you.

“ We always had so much out on the farm and Ciara knew all good
places to play. I remember her showing us all her kittens, we just
loved it. I also remember Ciara and Hagyn on my wedding day,
Hagyn was brand new, just one day old and so adorable. Ciara was
so proud of her kids, they will both definitely have the best guardian
angel watching over them♥♥

“ *I have so many memory's i dont even know where to begin. My favorite would have to be the night we were all sitting outside on my grandmas porch and she swore the lady across the parking lot was wearing an eye patch trying to use a wire hanger to get into her car. We literally laughed until we cried. And all of our random tattoo dates, lunches at el charro, and you being with me for the final days of my grandmas life, and never leaving me when i needed someone the most. 6 years of memories that i will cherish forever, and even though we had fallen apart i still thought about you often. This all still seems like a horrible nightmare. You will be missed by so many. Me and the kids love you and are praying hard for hagyn and braxton and your family! Fly high my sweet friend!*
