“ How can one put a value on a smile or laugh? What a presence he had. Such a kind man. My memories go way back to when I was a teenager in Sulphur, Okla. After their visits to the relatives in Texas, they would swing by my folks in Sulphur and they would truly light up the day. Again, that laugh. One other thing, he always kept in touch with all the Okies with a up to date letter at Christmas time, even when they were in Hutchinson in their final days. Who does that any more? What a gift we all had. I am sure the visits to my folks will continue. Thank God for him passing my way...
