“ *My Grandma Barnhart was always a Sassy woman. I remember I went to go see her and the nurse at the nursing home wanted to check her vitals and asked for one of her fingers to check her vitals. Well my grandma didn't understand what she wanted and I told her to give the nurse a finger. Well my grandma did just that! She gave her the finger! The nurse and I busted out laughing. I won't be able to be at the funeral due to being in Nursing School but I will be there in spirit. A bushel and a peck and a hug around the neck..I'll love you forever Grandma.*
