“ Today is a week since you left us. My heart can't help but be full that you are celebrating in heaven and whole. Today is also fittingly enough, the first day of baseball season for KC. I can't help but think that we would be talking later about how the first game went and how they're going to do this season. You might not be with me here to talk about it, but I know you're living your ultimate Great Adventure with the Maker of that ride. Until we meet again and carry on that adventure together. I love you, Dad! Bek

“ To the family of Clifford Thummel, I will always remember Clifford growing up next door to our family on Malcolm. A short time ago I saw Clifford and Joni at the Mexican restaurant. I hadn't seen Clifford for so many years, I am so glad we had the time to visit and share that bear hug. Our thoughts will be your family.
