“ A favorite memory I will always keep with me happen just a couple weeks ago on a Wednesday night when I was on my way home from church, I drove by Dave's place and he was outside on his mower pulling a little wagon full of his grandkids around. He was having fun and you could tell the kids were having a blast! He turned and gave that little smile of his and waved and I waved back and smiled. I will always keep that memory with me! Dave was such a hard worker and was our mechanic for years and we counted him as our friend! We will miss him! Our prayers continue for the family!
