“ Just went by Mr Neeleys store today and was thinking how much I liked that nice man. I was talking to some friends later and mentioned Mr Neeleys. We all told some experience we had with him (all good) and talked about how much he was missed. He had so many friends here in CHANUTE. He was probably the smartest guy in the world about batte ties and the electricity system in vehicle. I miss not stopping by his place and the talks we had. A beautiful man. You never get over the death of a good person like Mr Don Neeleys. RIP friend
