“ When I was very little Don became a big part of my families life. Til this day he still is. I was always so fascinated by him, and the funny things he would say. Don loved and cared for my baby brother. He, and Debby raised my brother into a very smart, handsome, genuine young man. He will never be forgotten by me, as he gave me one of the best gift ever; being my brother's dad. May Don rest in peace.
