“ Donna always had a smile and a hug for me.

I will never forget her kindness...when my granddaughter was graduating high school she went out of her way to bring her a card because Donna knew she needed extra love shown to her. I'll miss her smile, and the sunshine she brought to a room. Fly high my friend and tell Charlie hi for me!

“ *Rest in peace cousin Donna. I remember us all playing tag when all of us were young. Even at night when that tanker truck was going up and down the roads and alleys fumigating for mosquitos or other. I remember Uncle Floyd was our Mail Man growing up. Uncle Floyd delivered the birthday cards and packages from our Grandma in Iowa and other's to us. We needed these uplifting moments in our life, and he delivered. Robert and I use to stand in line together waiting to cash our pay checks at the same time. Which caused a lot of pause by the bank Teller staff because both of our names are Robert Hanson. Robert and I had some other similarities. Robert once told me that he Loved his family, the National Guard, and waking up camping next to the river. I received a tent for Graduation. I only put it up once and it was used for two years in the same spot by me and some friends of mine. The most resent times I spoke with you. You spoke about your love of life, family, and friends you had. As with so many, I have been seen your Karaoke singing posts that have been shared. Courage and talent that will be remembered. This may have not been said soon enough. It is impressive the impact you have had on so many people. God bless you in Jesus name. Amen. !*
