“ There are simply no words big enough for a loss like this. Doug was more than a friend to my brother Percy.....he was family. They shared a bond that lasted a lifetime, and I can't remember seeing one without the other. Doug brought laughter, loyalty, and love into the lives of everyone who knew him. The memories, stories, and years shared with him will never be forgotten. My heart breaks for your family and for everyone who loved him. Please know you are all in my thoughts and prayers during this unimaginable time. Doug's presence in this world mattered deeply, and he will be missed more than words can say.
