“ Ethan and I spent a lot of time together during his years at FHS, discussing his options and trying to find out why he was so ornery! He was a great guy and matured quickly into a fine young man. Our shock and sorrow will be replaced with good memories and we pray for his family.

“ My wife and I live in Wichita but we spend weekends in Fall River. We were fortunate enough to meet and hang out with Ethan on 5 or 6 occasions through Dallas Hawn and Flint Oak. Ethan proved to be an extremely wholesome, polite and all around well mannered young man which left a very positive and lasting impression on us. Southeast Kansas will be a lesser place without Ethan! Our deepest condolences to his family.

“ Shelly and Alexis, I am so sorry for your loss. Ethan was such a joy as a child and I am sure he carried that through to the man he became. My mom and dad always got the biggest kick out of him when he went to their house with Luke and Matt. Please know that you are in my heart and if I can do anything at all, please let me know.
