Obituary for Everett “Tiny” Duane Wilnerd

Known by most as “Tiny,” Everett Duane Wilnerd lived nothing short of a giant life.

Everett started that life on August 7, 1934, being born to parents Odes and Nellie (Earlly) Wilnerd outside of Norton, Kansas.

Everett qualified as a state wrestler while attending Norton Community Schools, from which he graduated in 1951. Upon graduating, he first earned the nickname “Tiny” while working for the State of Kansas Regional Highway Department. It was during this period that Everett met the “catch” of his life, Fort Hays State student, Carolyn Ann Base.

Everett then joined the U.S. Army from 1954 to 1956; he was stationed in Germany for almost a year. After returning from Germany, he immediately took two giant steps: First, he rejoined the Highway Department and second, he got “hooked” on October 27, 1956 to then teacher, Carolyn Ann Base in Pawnee Rock, Kansas. To this union, a school of seven fish were hatched, including two sets of twins: Susan, Craig & Carol, Lauri, Amy & Andy, and the youngest fry, Scott.

Upon leaving the highway department, Everett joined the crew at Gall Motors

in Norton as a mechanic. But “Tiny” had bigger fish to fry and game to hunt; which is what led him to Jetmore, Kansas where he began his love long career as a game warden with Kansas Fish and Game; today known as Kanas Wildlife and Parks. He and his family were later transferred to Howard, Kansas where Everett was given the territories of Elk, Chatauqua and part of Greenwood counties to patrol.

During his career, Everett was known as a man of justice, fairness, and kindness by those he ticketed and those he taught. One of his greatest joys was to teach Hunter Safety Courses for young and old alike. He is fondly remembered for his humor, his many escapades with other officers and the public, and the infamous “robo” deer.

After retiring in January 1997, Everett and Carolyn began traveling and became heavily involved in various activities like those with the American Legion, the Howard United Methodist Church, Elk County Kids Wrestling, Kansas Peace Officers Association and scoping out garage sales.

After a lengthy recovery period, Everett died peacefully on September 4, 2018 in Eureka, Kansas.

Everett was preceded in death by his parents, his step-dad, Dallas Johnson, his son, Scott Wilnerd, and daughter Amy Kitchens, Sisters Mildred Catlett and Joyce Alley, brothers-in-law Lanny Harvey, Larry Base, and Gene Alley, sister-in-law Vi Base, and sons-in-law Joseph Galvan and Carl Kitchens.

Survivors include wife, Carolyn of the home, daughters Susan Galvan and Carol Hernandez, both from Howard, KS, and daughter Lauri Brownfield of Blanchard, Iowa, sons Craig (Tracillia) Wilnerd of Wichita, Kansas and Andy Wilnerd of Kansas City, Mo., brother-in-law Steve (Elva) Base of Owasso, OK and sister-in-law Betty Harvey of Garden City, Kansas, 10 grandchildren, and 19 great-grandchildren and a host of nieces, nephews and friends.

A Celebration of Life Service will be Saturday, September 8, at 11:00 am at the Howard United Methodist Church with Pastor Kibum Kim officiating. A visitation will be held on Friday, September 7 from 5-7 pm at Countryside Funeral Home. The family suggests memorials to Carter-Rader Post #149 and the Howard United Methodist Church. “ Lord, please help me to express in words how much Elva & I Loved Everett/Tiny/Bud Wilnerd.!

Here's a Man, that shortly after returning from Germany while in the Army, took me, an 11 year old boy along with him & Carolyn, (b-4 they were married), to the river for an afternoon. Took me along to a Globetrotters basketball game in Great Bend & thrilled me with the “streetcar bell” he had installed under the floorboard of his car.

Everett never met a stranger! We went to hundreds of garage sales and he would engage in a conversation with someone virtually every time. Oh my, did we have fun! We would garage sale all day, then stay up and talk until the wee hours of the morning, (3:00 a.m.was our record). Gag gifts for any of the four of us were hilarious. For example, Everett & Lanny splinting their fingers when Elva had injured hers. You didn't dare ever tell Everett about something silly you had dreamed or done. It,for sure was going to come back at you.

More than anything, we Love him for making my Sister Carolyn happy for more than 60 years. Everett lost the “in-law tag” years ago. We're very proud to call him Brother. For years, I've gone thru every day, seeing, hearing, finding something and thinking I've got to see what Everett thinks about that. He could find the humor in anything. Some comedian is famous for saying “Leave Them Laughing”! When the tears finally stop; that's precisely what you have done!

“ Everett and Carolyn were close to our family. Carol and Craig were my classmates and friends. Laura was my sister, Irene's age. I remember the strength Everett gave to his family. My grandmother was also their "babysitter" for years. My heart breaks for this family. Love to all of you.

“ *Thinking of all members of the Wilnerd family with fond memories
from my childhood. From babysitting 6 children as my first summer
job to cookouts, Howard Christian Church, lots of fun and laughter
with The Game Warden and the Highway Patrolman, getting my
fishing license checked and mostly just a “good family”. May Everett
Rest In Peace and go fishing with Wendall in heaven.*
