“ Forest Is a very kind, caring neighbor!
I've known Forest for about 11years.
Everytime he mowed his yard, he will mow our yard too! He won't
accept money, because he told me he is just bored...
Gonna missed him am sure.
REST IN PEACE my good friend n neighbor 🙏
Our condolence to Tisha and the whole family 🙏🙏🙏

Thank you Shirley. You honored dad every year on his birthday with a
special sugar free cake. He always told everyone about them! He really
enjoyed mowing and had a hard time turning that over to me but
thankfully I had the best instruction on how to run the mower but
somehow my job never compares to his!
