“ *I'm sorry to here of Frank's passing. Enjoyed many years working with him at Nu-Wa. He was a fun loving kind person. I see he loved to sing and play his guitar which brings to mind I do remember him singing at work low enough to himself. My sympathies to all of Frankie's family.*

“ Frank was the closest uncle on my mom's side. He had such a contagious laugh. My freshman and sophomore year of high I would stop to visit him and Shirley on my way home from school. I had so many fond memories of my uncle Frankie, but the best one was when I came down to see my Dad's second wife and my cousin Deanna told me that he was searching throughout his house to find the photo album I left there several years before. In the back of that album was a picture of him and Aunt Shirley. Frankie I'm so proud to have you as my uncle. I love you very much and will miss you dearly. Give my love to Aunt Shirley, my mom Charlotte and my aunts and uncles. RIP
