“ *My husband and I first met Gerald and Eleanor on a Caribbean cruise 20 years ago. That cruise was one of the most memorable in my lifetime. We were so very fortunate to be seated at the "Umbarger table" with Gerald, Eleanor, and his 2 children Linda, Phil and partners. From the very evening we met we felt as though we were with "Family". Such a warm, happy, and welcoming man with such a great sense of humor. From day one of the cruise we spent time with the Umbargers eating, laughing, and enjoying our time spent. My husband and mother have died but I have found peace having Gerald for my "adopted Dad" and Eleanor for my "adopted Mom". We have been constant Pen Pals since our cruise. "Dad" you will always remain in my thoughts, my prayers and my heart. I thank God I was so very fortunate to meet you and have you in my life over these past many years. To say you will be missed is too simple. You will remain with all of us whom you have touched. "Love leaves a memory.....NO ONE CAN STEAL".*

“ Eleanor, my heart goes out to you for the loss of your wonderful husband. Dale and I enjoyed the many times we shared with you. I don't need to tell you what a wonderful man he was, always so cheerful and caring. We both have God to thank for allowing us so many happy years of marriage. Enjoying the many Happy New Years eve in your home was such a delight.

May God's love help you through this ordeal.

“ My eyes are leaking as I write this about a very sweet man...Gerald Umbarger. He was funny, quick to tease and gave the best hugs ever. He let me drive his truck thru the country side to did up flowers along the side of the road. Even had a shovel just in case I forgot one and buckets of water to put the plants in. When My Dale got sick...it was Gerald who I called if I needed help. He was there in minutes and always gave me encouragement thru Dale's illness. He was a man with a beautiful spirit. He knew God and he loved his family. I will treasure his friendship for the rest of my life.
Love, Jeannie Fairchild.

“ Such a blessing to have my G'pa and Granny U in my life for 50 years! Many memories to treasure and share with others. My G'pa U called me a "peanut" when I was a little girl tailing him around the farm whenever I visited. I suppose it was because I was a nuisance and asked him so many questions, not that it really seemed to bother him at the time, I sure didn't notice if it did. I just fired back calling him Snoopy or Charlie Brown, hee HEE! He laughed and we carried on with chores and learning to drive the lil red tractor before I could reach the pedals- sitting on his lap, the ride didn't seem too bumpy. I always asked him why he didn't have horses on his farm instead of cows-didn't make much sense to me at that time.....later on, my lucky cousin Ashley brought horses to the farm when she was growing up there.

Winter time at the farm was fun riding the big family size sled G'pa made and pulled by the tractor through the fields. Wheeeeeeeeeeee! Hang on tight if Uncle Philip was driving! I haven't found as big of a sled anywhere, not even in Minnesota.

G'pa made everything seem like fun, not a chore....even the green riding lawn mower!

G'pa and Granny enjoyed taking the grandkids on trips with them and we always loved to go! Among the trips I remember were trips to St. Louis, Mo to Six flags over mid-America and on to Salem, IL to visit my great Uncle Richard and Aunt Liz and cousins....with BYF to Green Lake, Wisconsin....Branson, MO a drive thru Safari- boy could Grandpa "Hee Haw" like the donkeys!....and one of my favorites was Hawaii with great Uncle Wayne to visit cousins Jean and Jim Gilbreath...beaches, snorkeling, shopping the markets, fresh pineapple and papaya, a luau, Pearl Harbor and of course lots of "Hawaiian Ice cream"!

Grandpa shared his wonderful voice in the choir at church but one of my favorite memories of him singing was at our home when accompanied by my mom on the piano and they led the family in

hymns and Christmas carols and other favorites.

Grandpa always shared whatever he had, from a ride on the tractor or combine, there was always a seat beside him in the grain truck during wheat harvest and even in his pick up, to vacations, ice cream, chocolates, attending my school events and basketball games, many meals at home and awayand he was eternally grateful, thanking and praising our Lord for everything, especially before meals, every meal and at family gatherings.

*For these memories and more you will always be in my heart G'pa!
God Bless you and may you Rest in Peace G'pa with our loving
Savior Jesus Christ until we meet again in His Glory!*
