“ Mr. Davis was one of my favorite teachers in high school. I was not fortunate enough to take Biology from him, so I signed up for Physiology the following year just so I could be in his class. We who grew up in Chanute were so fortunate to have so many excellent teachers such as Mr. Davis. And I just found out he grew up in Enid where my Uncle Harry Lloyd raised his family. My condolences to Adele and her sister and their families as well as Mrs. Davis.
