“ *We offer our sincere heart felt condolences to Herb's entire Family. We have wonderful memories of working with Herb at the Christmas Tree Farm. We worked with him and Herb taught us a great deal about the business and eventually Herb sold us the business. It took two and sometimes three of us to do the work, Herb did himself. His work ethic (even during retirement) was second to none. We enjoyed all the hours we spent with Herb and Golda Mae. May God's Blessings be with the Family.*
