“ *We have such good memories of having Doyle with us in Siskiyou County during his years in California. He loved preaching the gospel. We loved his enthusiasm and his ready smile. He was a joy to have around. Our boys will always remember that Doyle was looking for exercise and willing shoveled a whole pile of fresh fertilizer for the garden and spared them from having to do it!*

“ I remember him referring to himself as an ol' bald headed bachelor when he was helping us to understand his perspective in a situation. That humility in his service has always inspired me over the years. He always pointed to God's word as he taught. We loved his spirit in the home and from the platform.

“ We knew and loved Doyle from the time we were small children -- our mother shared memories of Doyle from the days when they sat in the gospel meetings he went to and eventually made his choice. Loved hearing her tell the stories and enjoyed him every time he was in our home. He shared many good things that helped me grow spiritually and so thankful for all he was to us.

“ We will miss Doyle and all the spiritual inspiration that he provided for us during his lifetime, both in person and through his many written messages. I have been inspired and guided by Doyle since around 1955 in the Kansas City area. He even caught the measles, from one of my daughters, during one of his visits to our home during the late 1960's in Hartville, MO. Frank Williams

“ A true servant of God has gone home, we truly value our time with him in our home, so very kind and gentle in his correction and his love for God's people, the last time we saw him was at Blackwater, Mo conv. and here for special meetings a couple times, always glad to have him in our home. One time we saw him, and ask how are you, he said well I can only sleep 8 hours a night and eat three meals a day. He was about 85 then, so doing pretty well. we will always love him and have a place in our hearts. He was in our field 4 years, 1973-1977. Alan & Alpha Flint

“ Years ago, Doyle was in our Field in Illinois. I remember one time at Gospel meeting, I came in late with 3 little children. He motioned me to the front. I am not sure I heard much in that meeting, trying to keep my children quiet but he did not mind. That is where he wanted us.  
I loved his laugh but mostly his example.

“ Another true servant of God gone on to receive his reward. We enjoyed having Doyle here in California for a few years. He was a special man and very easy to have in our home. He was true in his ministry because he followed the teachings of Jesus. Jesus didn't compromise the message God sent Him to the earth to live and teach. Doyle will be missed by all. I can still see in my mind's eye his beaming face.

*Never having met Doyle, I can only mention that his name has been revered and his life has left impressions that only eternity will reveal. Another faithful servant of God has reached the 'Home shore', and we are glad to hear of younger lives already filling the vacancies left recently.*

*Our thanks for his life along with so many others that have entered their tribute to him.*

*Doyle and Raymond Reece brought the gospel to our small town of Glasco, Kansas, in the early 1950's. My mother, Melba Wheeler, made her choice to serve God in those meetings. I made a similar choice a year or two later when Doyle again had a tent mission in Glasco together with Robert Thompson and Duane Kraus. I am eternally grateful for what this has meant to our family.*

*I remember Doyle giving his testimony one time on special meeting rounds in NE...we were sitting around the table with a number of other workers, each of them told their testimony. When it came Doyle turn...he said....in his most cheerful voice...that is the only story in my life that is worth telling!....and it was a very touching story, as many of you will know.*

*We had Doyal in our home many times. Knowing his background I fixed a fried chicken dinner on our 1917 wood cook stove for Doyal. He said "I haven't had a home cooked meal from a wood stove in almost 50 years." We looked forward to his coming to our home. He spoke at our daughters wedding. We have missed him after leaving our field. He has reached the mark and the goal. A true blessing where ever he went. Ed & Joyce Croul*

*In just the 2 years Doyle was with us in Elk Gove, California, he left lasting memories and an example of a lifetime. He loved getting up at 4 am to help our boys with their paper routes and would remember this in letters well into his 90's. He never failed to encourage you to continue the fight. It's wonderful to know he's home now.*

*Thankful for Doyle, though I never had the privilege of having him in my home or being in his gospel meetings. I always enjoyed him at convention etc. I rejoice in this spiritually rich man with a rich reward. He was the first worker I meant at a convention, after coming to the midwest, at Marysville, KS in 2005. He was most gracious and kind. He wrote a few times over the years. All speak so well of him here. Lila Mahaffy*

*Special memories of a faithful servant of God. Loved how he could preach the Gospel story in such a simple way that even children could understand it. We loved how he would tell a story and illustrate it in such a way that it held people's interest and all "got the heavenly message" in such a way that every age could understand it. Appreciate his faithful life and finish. Thankful for his years here in CA and our privilege of knowing him. Richard and Cindy Fishback*
