“ To Jacks Family and Friends, I am so very sorry for your loss, for your sadness. I never really knew him but remember meeting him when I was about 8 or 9 yrs. old, in the 70's. I was at Irene's apartment, I think she was babysitting me and my sister, and Jack was sitting at the kitchen table smoking. I thought for sure he'd let me have one, it smelled so good and I wanted to look cool, So I just took a cigarette out of his pack and tried to light it and he wouldn't let me! I kept asking and he wouldn't budge. I was mad at the time of course but looking back now I have to give Props to you Jack, a huge hug to you..... and to your family and friends. God bless you always, Rest in peace dear Jack.

“ It says send a memory but where to begin? Jack was like a second father to me and my heart is broken for Brendan and Tasha. He was a great father to the two of them and a fantastic grandpa. Not a day will go by that I won't miss him.

Jack you were a long time friend of mine who always had my back no matter what. You taught me things in life such as patience, family, and friendship and loyalty. The years, we could not turn back in time and most days all we had was memories of those who crossed our paths in the yesteryears. We both buried alot of our friends from the past together, but I truly never expected you to be the next to go. You will be missed by many as you have left this world.

R.I. P. Jack, the rest will be done..... Your Friend, Kay
