“ *My thoughts are with the Letterman family and friends. It was my privilege to have served in the Navy with Jack, to have met Jack and Kim when we were so young and attended their wedding. We haven't seen each other in a long time, but it was always a comfort for me to know that these fine people and their children were there for texts and phone calls. Just like you, I will carry my memories of Jack with me for the rest of my days. Love to all of you. BOO*
