

Jason Eugene Hutson

February 5, 1982 - March 18, 2018

Jason Eugene Hutson, 36, of Buffalo, KS, passed away in DeQuincy, LA on March 18, 2018. He was born to Kenneth and Barb (Kuhn) Hutson in Chanute, KS on February 5, 1982. He was engaged to marry the love of his life, Carrie, next week.

Jason lived life to the fullest and loved his family and friends. He never met a stranger and was always willing to help those in need. Jason was a very hard worker and traveled all over the US for his job, most currently as a crane rigger and General Foreman for Turner Industries at the Sasol plant since June 2017. He loved his family and friends, especially his sis, nephews, and his momma, always making sure they were ok even when he was away from home. When he was home, he liked cooking for the family, oftentimes bringing food from his travels for his family to enjoy. He was a proud member of "Brothers of the Hook." Anyone who knew him knows Jason loved shooting guns, mud trucking, drinking beer, and raising hell. He will be missed by all who had the pleasure of knowing him.
