“ *I was shocked and sad when I read that John had passed away, had no idea he was so sick. I have many memories of myself and John at the Chanute police department, he made me laugh so many times and was a joy to work with and call him friend and partner. I remember setting in his office many times and we would just talk about stuff and what was going on in the city. Sending you prayers your way. Good thoughts and memories will live forever.*

“ I am so sorry for your loss - seems like too much...but John definitely made a difference - many, many years ago, my husband had a bad accident, and John was with the ambulance that literally saved his life. I could not be more grateful for John's life...be comforted by the good things. Sincerely, Kathy Greve
