“ We send our heartfelt thoughts as we share in your loss. John was the first visitor we had after starting attendance at Westview, welcoming and informing which we deeply appreciated. He and Steve knew each other but I had not gotten acquainted so he called me "Mrs. Steve." I must admit we also hit it off and I also found him a blessing as a friend and prayer partner on our prayer chain. It was always interesting, helpful, informative, and uplifting to visit with him about weather, church, or who belonged to who when I would get a prayer request to be put on the prayer chain. I could always count on John to help me figure out who was who because he knew everyone and we knew so few with our children attending Yates Center Schools. We had lived in the country between Yates Center and Chanute, Humboldt and Fredonia where mail routes, bus routes, and phone lines separated 3 communities, attending the little Methodist Maple Grove Church in that community. He knew our community well, too. He was more than a friend to all because he cared deeply and was always so kind about everyone as he would 'educate me', I assure you we share in your loss because we will miss him---a lot---as we know he will be in a better place that he has looked forward to for many a year.. May God bless you as John would want. He was a Christian that we are blessed to have known. Steve and Merridith Kimberlin

“ Dear Debbie, Sharon, Irvin, and Ann! We were so sorry to hear of John's long illness these past few weeks. But I just want to say Thank You for being such wonderful "care-givers" thru all of his last few weeks on this earth! He is in a better place now and what a reunion he has had with Ann! I remember Ann and how we were all so sad when she passed away. Your Dad was a true servant of The Lord and would give a helping hand to anyone in need. And you as his children have all carried on that "servant attitude". I am pleased my daughters are continuing that attitude even though they are not nurses. Bill wanted so much to come to the funeral but sounds as if the weather is not going to be good Saturday. I feel down our stairway the week before Christmas and had a laminectomy. Have spent 2 weeks in a care facility but am home now and doing OP PT. The Lord was with me through all this or it could have been much worse. Bill still plays some racquetball and cuts wood for our wood burning stove, but if you still him walk you wonder how he does these things-- has lots of osteoarthritis! Time marches on! I pray for you all in your jobs , school, etc. Love all of you! Joan and Bill
