“ *I have know Liz for many years she was actually a cousin my marriage. I just came to see her a few weeks ago and brought two other people that knew here. We had a great visit. She always had such a positive outlook to whatever came her way. I will miss her always. I know I;ll see you again some day.*

“ We became fast friends working together at the hospital. Our friendship continued even after I'd left FRH.

She was as true as they come. I admired her spirit, enjoyed her ornery and infectious laugh and her positive, happy outlook. I'm really going to miss her, miss the calls that lasted a hour or longer, texts, lunch dates all of it. I am so very glad I got to visit with her Mother's Day weekend. We said what needed said and understood the unspoken. I'll love her forever. ❤️

Hugs, love and prayers to the family.

“ I met Liz when I worked for the Child Care Center, she brought her son Jason there. Then years later she needed someone to watch Jason during the summer.

Years later our paths would cross again when we both were working at Fredonia Regional. She always had a positive outlook!

Her laugh could be infectious!! Will miss her.
Hugs to everyone.
