“ *Uncle Andy to so many of us when we were young, before it changed to Kevin, and being just a few years older than some of us he seemed more like a cousin than an Uncle. He was definitely the leader of the pack in fun and orneriness!*

Until we meet again, rest in His peace and we will look forward to that day!

“ *I know mom loved her little brother so very much, and has many memories that she will treasure. I know that when I was little and spending summers with Grandma & Grandpa, and Aunt Janet & Uncle Roger, it was lots of fun to go riding around with Uncle Andy in his truck. Lots of love to Joe and Andrea and their families. We will be thinking of you!*
