“ *We have so many memories....my all time favorite was the time you got your leg somehow stuck in my railing out back and freaked out cuz you couldn't get your legs out of it hahaha silly girl! Another was us cruising main street back in high school when it was "cool" we played the same song over and over until I hated that song for life haha Or the last time you stayed the night at my house...we drank wine coolers like we were teenagers again and didn't even get a buzz it was so silly. You always made me smile, you were a sweetheart and funny. We always laughed a lot. I'll miss our talks and time together. You truly were one of a kind friend. Love and Miss you always Chica.*
