“ I never knew Kristopher Webb personally but knew his grandparents, Howard and Ruth Webb who were related to our Webb family. And I know his dad, Charlie Webb also. So my condolences go out to the entire family and my heart is very sad to learn about this loss of someone so young. Charlie, I know this has to be very difficult for you. I wish I could be there to show my support but all I can do is pray for you and the family. God will take care of you...Pauline Webb Broyles
