“ I met Kyle and his family about 4 years ago. I automatically become friends with them, because they are all around, very nice and wonderful people. Darlene and I become instant friends, then I became friends with Charles and Kyle. I later learned that Charles had family down at Grand Lake, as did I. One summer, for the Fourth of July, Kyle and his family hung out with us, out on our boat, down at the park shooting off fireworks, and hanging out at our place. My two girls instantly feel in love with the family and Maddie was always giving Charles and Darlene hugs and giving Charles and Kyle a very hard time. I just love the Dodd family and I can't believe that Kyle is gone, but never gone from our hearts or our memories.

“ *Kyle, Riding dirt bikes at Gordons well. Going on the golf cart with Darlene because I was to afraid to ride. Watching movies in the 5th wheel in the desert sun waiting for it to cool down so we could have more fun. Your family was so gracious to invite ours along on holidays to the KQ ranch, we went and watched fireworks from your home in serra mesa all so colton and kyle could hang out and be Friends, just like their dads. Kyle will forever be in our thoughts and prayers, such an amazing young man it was my pleasure to be a small part of his world.*

“ I was lucky enough to get to know Kyle teaching him over the past two years at school. He was in my art class his junior and senior years at Cherryvale. He was a creative artist and I loved getting to see his talents thrive in class with his pottery and paintings. The greatest moments I will cherish of Kyle will be the simple ones of he and I just talking in joke filled stories and dry his humor making me laugh. He will be missed but he also be truly appreciated for the great joy he was. Those memories I will forever hold on to. Casey Lickteig

“ Ever since Kyle was a baby he has been such a pleasure to have in our life. He made it so easy to spoil him. Such a great son, friend and buddy. Making other people happy came easy to him. Love you Kyle Dodd.

“ Kyle was a great young man. I had Kyle as a student in Woodworking. He was a fun kid to have in class and always had a smile on his face and never had a bad day. This past year, I saw h everyday on his way to weights class. We spoke daily. He was a polite and very respectful young man. Cherryvale Middle High School was a better place because of Kyle Dodd. The world will miss out because of his early departure from this earth. Thank you for your pleasant daily demeanor and may perpetual light shine upon you. God bless you and your family.
