

Larry Rodger Odle

June 16, 1939 - February 14, 2022

Larry Rodger Odle, 82, of Howard, KS passed away Monday, February 14, 2022 in Kansas City, MO. He was born on June 16, 1939 in Cedar Point, Kansas, the son of Vernon and Dorothy (Merritt) Odle.

Growing up, Larry enjoyed hunting and fishing. He graduated from Center Point High School and shortly after, he met Margaret McMinn through mutual friends on her family's farm near Wichita. Although, they knew right away, they waited until Margaret graduated from high school and on June 2, 1962, they were united in marriage; a union that would last almost 60 years and produce three sons.

Larry worked for 10+ years doing plumbing and construction work for Leffler and later for Don Vaughn, Inc. In 1980, however, Margaret and Larry decided it was time to take their boys and achieve their dream of living right in the middle of their piece of land. They chose a place right outside of Howard, KS to house their farm. Larry put in 42 years of solid work, raising angus cattle and building a new home on their land after the original farm house just didn't quite fit their needs anymore. Larry always was a hard worker, a loving husband and father. He will be greatly missed and never forgotten.
