“ I'm heartsick over the loss of LeAnn.

My sincere condolences and prayers go out to LeAnn's family and friends.

LeAnn and I met because we adopted her greyhound, Doctor "Doc" Harwood in November 2015. Although, we never had the opportunity to meet in person, we became friends.

Over the next few years, LeAnn was always there for me as my husband and I faced some difficult life challenges. She was an earth angel.

It was a true blessing to have had LeAnn as my friend.

Rest in peace, my dear Kansas friend.

*With love from Virginia

“ I’m so sorry Martha for your loss of your beautiful spirit daughter, LeAnn. LeAnn was such a special woman to this world. I always considered her as a good friend ever since we met in 2003 when we worked together at the NHC Nursing home. She was a fantastic nurse to so many. We shared so many laughs and of course just the way she laughed was special. I loved her sense of humor that could brighten up your day. LeAnn was so dedicated to her Mom & her Aunt Evelyn and showed them such great respect. I last seen all 3 of these beautiful ladies celebrating Thanksgiving together just this past year. My thoughts & prayers go out to her brothers and all her family & friends because we lost an amazing lady. Rest In Peace LeAnn my dear friend.

“ LeAnn always made me smile those nights when we worked together at the hospital. She would always joke about how the long nights were killing her and how she wished she could retire and enjoy it. She helped me through so many struggles within my life, shared so many good times with me, including my wedding day, and she was the first person to know when we found out about our son. LeAnn was family to me and I will never forget all that we went through.

“ To Martha, Evelyn, JB and the rest of LeAnn's family, deepest condolences from me and all of the Black family. LeAnn was just the very, very best. The world is a little colder without such a kind, hard-working, loving person. We're going to miss her, but remember her always.

Love and our sympathies to you all.

“ *LeAnn was in my nursing class. She always had the best sense of humor! It was in our last semester of nursing school and we were to take a major test; we were all in our assigned test seats and in walks LeAnn with a huge “DNR” tag hanging around her neck. DNR stands for do not resuscitate! We all started laughing and in that moment I was more relaxed than I had been that whole week. She is going to be sooo missed. I cannot even express how heavy my heart is right now.*
