I grew up with Leroy and Alva at our house a lot, Lucille and Kenneth Webb; I am almost 10 years younger than him, a younger sister from my brother, Kenny, but just had a pic taken with Leroy at my brother's funeral October 31, 2016! I always loved Leroy, he seemed such a joy back when I was a kid, and at KEnny's funeral he came right up to me, and remembered me and gave me a hug. My heartfelt sympathies go out to you, Cheri, and your family. What a precious man and sad loss. Unbelievable. Marcia Webb Worley

“ I am so sorry to hear this about a friend to many, including my family. Just last October, Leroy attended the service of his friend, my brother and he was very supportive to me and my sisters. He has always been loving and kind. There are things that we don't understand, but we do know that there will be a time when we will reunite and until that day, we have to remember all the good things and all the memories he has left for each of you. I feel your pain deeply in my heart. I cannot attend the service as I will be out of town and I hate that I can;t be there. God bless you and keep you in HIS care through this rough time.
