“ Hello Linda and Rhonda: I remember the good times you two gals, your cousin Tony Sue (Forbes) Babcock, and I had playing together in Benedict, Kansas at your Aunt Bonnie and Uncle Chester Forbes' house. You cousins always invited me to play with you and I sure do remember the many times we played together during the Summer time when school was out. I remember your Dad Lonnie and Uncle Chester worked together and they ran the sawmill at Uncle Chester's place in Benedict; we kids were not allowed near the sawmill. Your Dad Lonnie always had a big smile and I remember how he would tease us little girls. I cherish the memories I have of all of us being together. Please know that I'm thinking of you at this time. Love and God Bless
