“ Her great knowledge and wonderful conversation while I served her as a home health care worker. She was one of my favorite clients. I always looked forward to visiting her home. Diana

“ When at Tripco station she would be with friends around the table sipping coffee and would invite me to join. She endured my humor and give a good laugh. She would take time to encourage anyone who encountered her. Thank you families for sharing her with more than the Severy community. She will be missed by the many whose life she touch. “ I'm so sorry for the loss of Mable Jo. My sincere sympathy to her family and friends. She had an onery twinkle in her eye and the most contagious laugh. Great memories of her throughout my childhood and later she was a regular customer at our restaurant.
