“ To one of the finest and most caring educators ever associated with the Chanute school system thank you for being part of our community. My brother Mike Sparks absolutely worshiped the ground you walked on . He learned a great deal from you and others and he was a good learner. You and Elizabeth Peipers attending his funeral was probably the truest proof of character two individuals could ever demonstrate and we will always appreciate it. Rest well and I hope your long life continued to be a blessing to many.
