“ Mary Ann was my aunt & she was the most loving & sweet person! She was so talented and could sew anything, I remember her cabinets full of material. My mom & her were so close, when they were together they would stay up half the night talking & giggling. And you always knew if mom was on the phone with Mary Ann, she would be on there for at least an hour! I will miss her!

“ My Mother Phyllis Esslinger worked with Mary years ago at the Safari motel south of town way back in the 80's. Years passed and then reconnected and picked their friendship right back up. My mom still drove so at least 2 or 3 times a week she would drive to town to take her something she cooked or just to visit. Mary was my moms best and only friend!! I also remember taking Mary to finally see moms little house where she lived and it help so much for Mary to now understand when mom talked about her house. We then went shopping at St. PATS and Mary found lots of bargains but most if all enjoyed getting out for the day. I took Mary many times her favorite meal....McDonald's cheese burger and fries. Yes Mary Hutter was my friend and I miss her but I know mom misses her more than any of us will know!! They were a great example of true friendship. ❤️
