“ I knew Mike when I was a driver for UPS in Fredonia. Fun to talk with. Would run into him in Chanute and it was always like we hadn't seen each other for a couple of weeks. My prayers are with your family.

“ Oh my heart is sad to hear of the passing of this guy who was like a big brother to me while I worked at Merle Kelly Ford all those years ago. Back in 1980 this young girl started as a parts runner & didn't know anything about car & truck parts. To top it off I didn't know how to drive a stick, sooooo Mike had to teach me. All I remember is that after the first lesson we got back to the shop & he told everyone he needed a beer after that drive. He was a good friend to listen to all the things going on in my life at that time & I will always cherish the friendship you showed this young girl.

My prayers go out to his wife & family in this time of sorrow.

“ Mike and Bev were with us at our wedding and Mike was Steve's best man. We shared a lot of good times. He was a fun guy and we will miss him very much. My best memory was playing night golf with him and Bev.
