“ I will always have great memories of Ralph. He was the best bus driver a Fall River kid could ask for! Doughnuts in the morning and special trips to Cline's Pond after school. He helped my family a lot when I was young and it was his connection at the bank that landed my mother the job she still has today. I am forever grateful for his extra special care for me when I was young. That kind of character is hard to come by. RIP - Mr. Cline
