“ Dear Family, Mary, Matthew, Laurie, Ryan, Mark, Melissa & Grandkids,

It is with deep sorrow that I send my sympathy with the passing of a close friend. While our lives took separate paths and I left Chanute years ago, I will always remember Randy.

Randy and I graduated from CHS in '68, but we go way back to Hutton Elementary. We grew up together in Chanute and I have so many fond memories of my childhood days with Randy. We were your typical boys in a small Kansas town. We celebrated the 4th shooting bottle rockets at each other, made our own firecracker pipe guns, hunted and fished together, threw snowballs at trucks passing through town, and rode our bikes all over the city. Randy would hang out at my 11 East 8th home when we weren't on the move. It was fun times. But the most memorable adventure in our youth was when we made the front page of the Chanute Tribune in the 60's. I can't remember what grade we were in but I still recall the trick we pulled off.

While at recess at Hutton School we noticed a stray dog wondering the playground and decided to take it in. What we didn't realize was the Chanute dog catcher was on the hunt as well trying to catch the poor animal. Randy and I decided to hide the animal to prevent the local animal control officer from impounding it. Well, somehow our humane exploit made it to the local news reporter and we were interviewed. We named the dog, Chopper, and we were featured with photos and an article, as I recall. Now, I may have gotten some of the facts incorrect since so many years have passed, but I clearly remember Chopper and us teaming up to give the Dog Catcher a real challenge. Just thought I'd share my relationship with this great guy, a friend, your husband, father and grandfather with all of you.

Randy was a dear friend and I will miss him!

Sincerely,

Tom Blancett

“ There's a new world somewhere
They call the promised land
And I'll be there someday
If you could hold my hand
I still need you there beside me
No matter what I do
For I know I'll never find another you
There is always someone
For each of us, they say
And you'll be my someone
Forever and a day
I could search the whole world over
Until my life is through
But I know I'll never find another you
It's a long, long journey
So stay by my side
When I walk through the storm
You'll be my guide, be my guide
If they gave me a fortune
My pleasure would be small
I could lose it all tomorrow
And never mind at all
But if I should lose your love, dear
I don't know what I'd do
For I know I'll never find another you
But if I should lose your love, dear
I don't know what I'd do
For I know I'll never find another you
Another you, another you

I also got several rides from him when I was having my car serviced when he still worked at Ranz's. We kept in touch after he officially retired and I just fb posted to him last week. RIP dear man. “ I’m sadden to loss a dear friend as you Randy we’ve been friends since Junior High. You’re always so fun, kind and thoughtful to everyone you know. I’ve prayed for you so many times these past few years as I know you’ve not had it easy but you always kept a positive attitude about your situation even last Monday, June 10th when I stopped by to see you for a short visit. We talked about my sister, Pattie McMurtray, that you also called your sister too. Randy you have been so supporting to her with her kidney disease, always so thoughtful during her hospital stays too. We discussed your kids & mine too as well as fun memories of our younger years. As I was leaving your room that Monday evening i said to you, “God Bless you Randy, I love you.” Then you said to me, “God Bless you too, Janice I love you too.” I said “See you tomorrow.” So my dear Friend I will see you again sometime with our dear Lord. Rest In Peace Randy. I’m so sorry for his family that he loved & was so proud of for your loss of a great father & Grandpa too. I pray God Bless everyone of you during the days ahead of your life through Eternity.

“ Randy and I attended Hutton School together and enjoyed reminiscing about our grade school days. In later years didn't see him that much but kept up and enjoyed his postings about the weather and such. So many people will miss him. Thinking of the family and friends.
