“ *Dick was a great co-worker, friend, and neighbor. Steve started working with Dick at the county shop when our oldest son was just a baby. I remember trying to call Steve about a farm equipment question when he was at work. Steve was away from the phone, but Dick took his time to help explain to me how to get the part to work. He was just always kind and helpful like that. We miss driving by and seeing him out mowing his yard or enjoying a quiet evening in the yard with Kathy. God bless your family during this difficult time.*
