“ I saw Roger coming out of Wal Mart a few years ago, it was in the evening. Hadn't seen him in years, but it was great to talk awhile in the parking lot & catch up with my cousin. RIP Roger hugs & prayers to all the family.

“ Deeply saddened to hear of Roger's death. Roger was one of my closest friends growing up. I spent countless afternoons with Roger and John Jenson playing a game we called "rag tag" at Rogers house on Malcolm. I always looked forward to our class reunions where I got the chance to catch up with him. Sadly, he was not at our 50th reunion last September. Rest in peace my dear friend. I will miss you!
