

Ronald F. Chittenden

July 8, 1944 - July 13, 2025

Ronald F Chittenden – July 8, 1944-July 13, 2025

Ron (Quick Draw) Chittenden – beloved son, father, uncle, grandfather and great grandfather – passed away peacefully with both of his kids at his side early morning on July 13th, he had just turned 81. Born at his childhood home in Chanute to Agnes L. (Glover) and Rolla F. Chittenden, he spent his entire life in Chanute. Since childhood, he enjoyed hunting and fishing with his brother Don. After graduating in 1962 from Chanute High School, he entered the Naval Reserves and served in Florida where he was involved with monitoring hurricanes through 1968. He had various jobs around town retiring from a very long career working for the City of Chanute Gas department. He will be remembered for his love of fishing, writing poetry where he is even a published author, his paintings and drawings, how much he loved to mow his lawn and also his love for playing lotto where he was very known at just about every station in town for playing Keno and other lotto games. Very known for always doing things his way regardless, you could always expect him to say exactly how he felt yet at the same time be one of the first to help if he could. He also enjoyed spending time with friends, some even from his childhood.

He is survived by his daughter Casey (Chittenden) Pilley, son Colbey Chittenden, brother Donald (Chip) Chittenden, two grandchildren, one great grandchild, and three nephews and a niece. He is preceded in death by his parents Agnes (Glover) and Rolla Chittenden, brothers Ed and Frank Russell.

In lieu of flowers, please donate to a local Veterans association or an art program in his name. Memorials can be left with Countryside Funeral Home. Ron did not want a service for his passing. Please remember him in enjoying things with your family that he enjoyed doing.

Tribute Wall

“ I knew Ron well in the 1970's. He was a true sweetheart, and I am so sorry to only now find out about his passing. He called to comfort me when my husband, Jerry, died, and I will always remember him. Margaret (Peggy Doussa) Patton.

MARGARET S. PATTON - December 18, 2025 at 05:09 PM

“ Hello. Sorry to hear about Ron's passing. My name is Tracy. I'm Vada Joys daughter. She was heartbroken. And I know she would have done this herself if she were able. However we're struggling with Alzheimer's. So I wanted to say something to you for her.
