Your dad was one of a kind..He had a huge ❤️. He was a true friend to me and I will always miss him too...I had moved away and hadn't seen him in a few years and when I came to his funeral I found out he had a son name River..I have a son named Rivers..We never got to celebrate together that we both named our sons pretty much the same name..I am so sorry River..I have years worth of stories of your dad...I hope to share them with you...Jim Wilson
