Tribute Wall

“ *My thoughts and prayers are with you all. I remember coming to visit during the summer when you lived on the farm. My best memory is of your mother sending me out to pick a cantaloupe from the garden for breakfast. To this day I remember the sweet smell and taste and how special it was to pick right from the garden. Your mother was a special lady and you were blessed to have her in your lives for so long. Brenda Woods-Brown*
