“ I really loved Sharon. I first met her back when John T. was just a few years old. I was working at Kids Daycare in Chanute during the time that he attended there. Sharon was a wonderful caring friend and Mother.

Our Son Riley Ellis had the wonderful opportunity to have her as an English teacher during his Freshman year at CHS. She was a wonderful pretty teacher who always had something nice and positive to say to Riley.

We enjoyed visiting at Parent teacher conferences. Even after Riley was a Sophomore Junior and Senior Sharon always made a point to visit with her.

We always enjoyed visiting with her at the Hospital and Ashley Clinic as well.

We had a very fond opinion of her. She added a fantastic job of hanging in there when she felt so poorly. She always always had a smile for us. We will miss her.

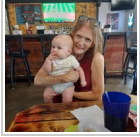

We are so sorry for your loss.

She certainly made life alot better.

Thoughts and prayers.

She was a wonderful lady.
